

## DEAR GUEST!

The four elements – fire, water, earth, and air – fascinate with their balance. This power is reflected in the untouched nature surrounding the Post in Lech am Arlberg, as well as in the culinary experiences.

Our cuisine combines alpine tradition with modern influences, allowing the flavors of the Lech mountains to come alive. Here, new ideas are explored, traditional dishes are reinterpreted, and the distinctive taste of the region is celebrated.

Head Chef Michael Volcanjsek brings a breath of fresh air to the tradition of "Gasthof Post." With creative accents and regional, sustainable ingredients, he sets new standards and delights even the most discerning palates.

Experience how the elements of nature and the passion of the kitchen staff merge into a harmonious culinary experience.  
Welcome to the "Gasthof Post" in Lech!
