# Dear Guests, DEAR FRIENDS!

And with us at the „Post“, you are right in the middle of it.

**We make the four elements of earth, water, air and fire tangible and experienceable for you and thus ensure a unique summer holiday in Austria.**

## Schloss Gobelsburg

### THE WINE CULTURAL HERITAGE OF AUSTRIA

**Schloss Gobelsburg has been one of the oldest monastic wineries in Europe since 1996.** The winery focuses on the typical wines of origin of the Danube appellations in the three categories of regional, local and single vineyard (Ried) wines – including world-famous names such as Ried HEILIGENSTEIN or Ried LAMM. Schloss Gobelsburg has been presented with countless awards. Among others, it was included in the list of TOP 100 WINERIES in the world by the US Wine & Spirits magazine in 2021 and was awarded 30th place in the World’s Best Vineyards in 2019.

**[www.gobelsburg.at](http://www.gobelsburg.at)**

### Did you already know?

On the occasion of the 850th anniversary, which Schloss Gobelsburg celebrated in 2021, Michael Moosbrugger put the history of Schloss Gobelsburg on paper in book form. The book is available at the „Post“, as well as in our online shop.

**You will also find many other products from the „Post“ in our online shop.**

Michael and Eva Moosbrugger

**Seminars and incentives will find the perfect premises for conferences and meetings of all kinds at the „Post“.**

Well-equipped with all the technical essentials, we offer our premises by the day or for several days with an individual accompanying programme and culinary catering.

## Yes, I want...

**For many years, the Hotel „Post“ has specialised in coordinating wedding celebrations and fulfilling the wishes of bridal couples.**

Surrounded by a spectacular mountain world, the hotel complex with the Ebra Park forms the perfect backdrop for what is probably the most beautiful promise of a lifetime. For a stylish transfer to and from the wedding ceremony, the hotel team will gladly organise a romantic horse-drawn carriage or a beautiful vintage car.

After the ceremony, the park or the entrée invite you to a reception before enjoying the specially created wedding menu in the beautifully decorated „Hubertushalle“ and celebrating until the early hours of the morning.

## Events AT THE ARLBERG

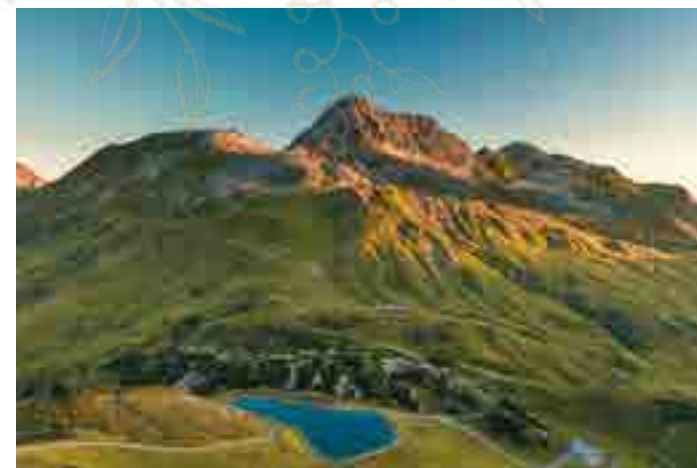

**The „Post“ is not only a paradise for moments of peace and tranquillity, but the property is also wonderfully suited for fabulous celebrations and events.**

Share the Alpine charm and mountain air with your family and friends and enjoy sunny hours together here with us at the „Post“ in Lech.

As multifaceted as our property may be, so are the possibilities for events and celebrations which we would like to organise for you here. Together we can make your wishes come true and create unique memories.

are tomorrow's memories“.*

# Water Worlds & Park

## FEEL NEW POWER

Swimming in the middle of nature. Feel the warm water on your skin. Feel the power of the mountains. The power of water. Immerse yourself – in our „Post“ water worlds. Connoisseurs, sports enthusiasts, families and children all get their money's worth here.

Take a dip in the steaming water early in the morning before breakfast, simply let yourself drift after a leisurely day in nature or discover the water games with the little ones in the kids' swimming pool. Outside or inside – the mountains always in view.

### *The element water*

... stands for cleanliness and purity, for innocence and virginity, for spiritual cleansing and renewal. The Greek philosopher Thales of Miletus already knew: „Either everything is made of water, or everything came from water“.

Our water in Lech has a reputation for the highest quality, and we are wholeheartedly grateful for it.

### *The Ebra Park*

In the middle of the Lech mountain world, in the heart of nature – and yet right in the centre of Lech: this is where our 6,000 m<sup>2</sup> Ebra Park has found its place. A jewel like you only know it from picture books. Everything blossoms, shines and glows in bright colours. **The gem of Sandra Moosbrugger:** Together with her gardener, she lovingly takes care of the flowers in the Ebra Park every day, creating a paradise for all guests. .

### *Day Spa* Luxury for a Day

Often, short breaks from everyday life are enough to recharge your batteries.

Take time – time for yourself, time with your partner, time with friends or with your family.

**Simply chill out and unwind.**

You will find the right packages on our website.

## *...Break*

Relax in the Finnish sauna with a view of nature or let your thoughts run loose in the salt steam bath with outdoor grotto. Our quiet oases with Arolla pine beds are the ideal place for subsequent relaxation and a fine time-out.

### Golfing at the highest level

In the Zug parcel in the idyllic Zug Valley, the nine holes of the Lech Golf Club are situated on both sides of the river Lech.

Nature has dictated the itinerary. Upstream, the course leads in the direction of the Rote Wand to the Zugertobel. After the 3rd tee, the route leads along the river Lech to the Stierlochbach stream and then past the fish pond back to the start. The practice facility in Lech with the Arlberg Golf School is available for taster sessions and courses to get your licence to play.

## Summer retreat AT THE ARLBERG

**Arriving at over 1,400 metres means arriving in the mountains. Arriving in crystal-clear mountain air. Far away from stuffy heat, from hustle and bustle. Arriving for your holiday.**

For active holidaymakers, there is hardly a better place than the Arlberg. Surrounded by imposing mountain peaks, nestled in nature – a diversity to discover.

Hiking, biking, trail running, golfing – the possibilities to discover the refreshing mountain air are almost unlimited at the Arlberg. No matter what you choose – one thing is essential: stop every now and then, take a deep breath, look around, marvel at the mountain world and pause.

**Enjoy the moment and feel free.**

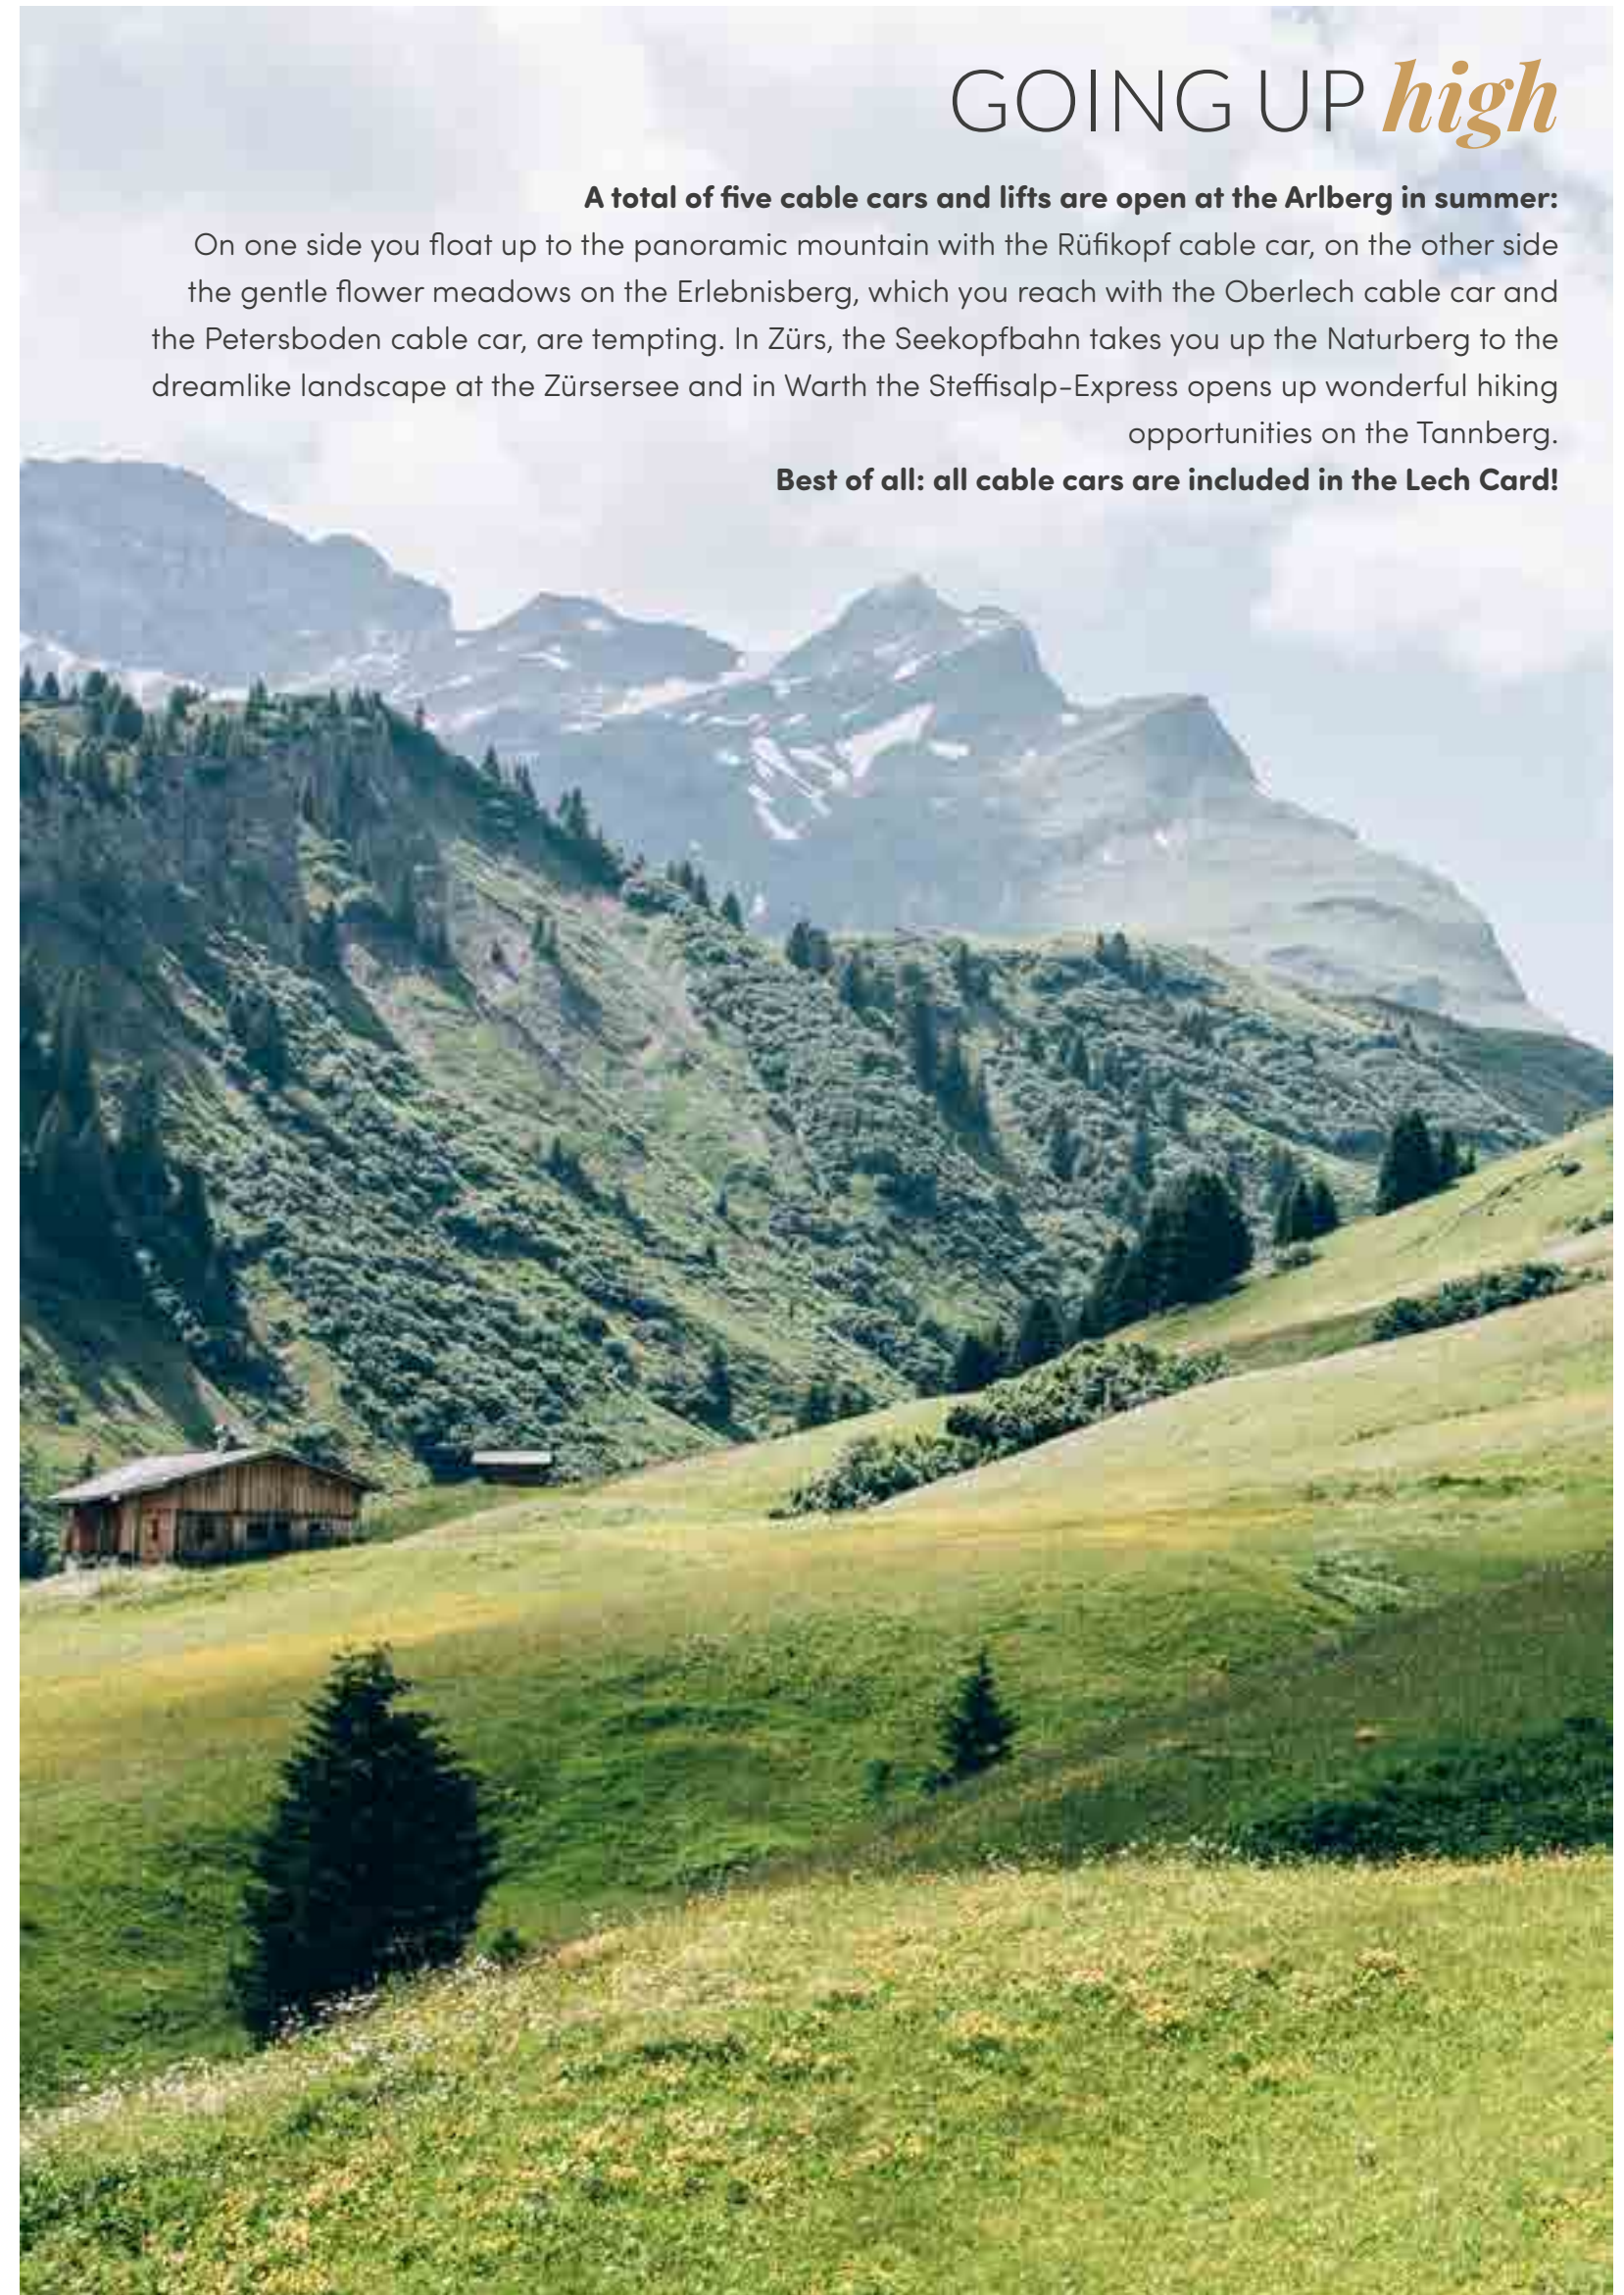

## GOING UP *high*

**A total of five cable cars and lifts are open at the Arlberg in summer:**

On one side you float up to the panoramic mountain with the Rüfikopf cable car, on the other side the gentle flower meadows on the Erlebnisberg, which you reach with the Oberlech cable car and the Petersboden cable car, are tempting. In Zürs, the Seekopfbahn takes you up the Naturberg to the dreamlike landscape at the Zürsersee and in Warth the Steffisalpe-Express opens up wonderful hiking opportunities on the Tannberg.

**Best of all: all cable cars are included in the Lech Card!**

## EXCLUSIVE DRIVING FUN *BMW Experience*

**BMW and the „Post“ will provide you with a new BMW model exclusively for rides and test drives in summer 2023.**

Explore the most beautiful mountain passes and panoramic roads around the Arlberg and immerse yourself in a world of driving pleasure.

### **Our tip: The Silvretta High Alpine Road**

The Tyrolean part of the Alpine Road leads from Galtür over a length of about 10 kilometres to the 2,032-metre-high Bielerhöhe. There, the highest mountain of the Austrian Silvretta, the Piz Buin (3,312 metres), towers over the high alpine surroundings. The route then descends again through 30 wonderful hairpin bends into neighbouring Vorarlberg.
